

# Poster Presentation Guidelines

- The dimensions of the poster board **4ftX3ft** (LXW).
- Preferred font size for Title - 72+, Sub-titles- 54+, Text- 30+, Sub-Text- 20+.
- Allocate the top of the poster for the title and authors as stated on the submitted abstract.
- The main body of the poster should include- Introduction, Objectives, Methods, Results, and Conclusions.
  - a) The text and illustrations should be bold enough to be read from a distance of two meters (six feet).
  - b) The Introduction should contain **3 to 5** sentences outlining information necessary to understand the study and why it was initiated.
  - c) The objectives or aims of the study, the questions to be asked, or the hypothesis to be tested should be clearly stated in as few words as possible.
  - d) Outline your methods briefly. Provide details only for new methods or important modifications of older ones.
  - e) Results should be presented as graphs or charts. Provide a key to explain symbols or other details. A well-defined caption along with interpretation is desirable (below each panel).
  - f) The conclusions and acknowledgements should be concise.
- The printed Poster hard copies should be taken to the conference by the delegates, and will be posted to the poster area in the designated position according to the “ICABB ID”.
- Tacks and technical equipment will be available for the hanging of posters.
- Authors who are presenting the poster are required to stand by their poster during each poster session.
- Please remove your poster after the assigned date and time. The Organizing Committee will not be responsible for posters that are not removed on time.
